

## You can turn an Ordinary Day into an Extraordinary Adventure

Become a **Smiles Above!** donor and help us to share Air Smiles with those who need them most! By making a monthly donation, not only will you have the satisfaction of helping somebody much worse off than yourself, but we will also thank you by sending you a token of our appreciation.

You can sign up online or complete the form on the opposite page, tear it off and send it back to us with your details.

We will take care of the administration for you. Please tick the Gift Aid box if you are a UK tax payer. It means that we can reclaim 28p for every £1 you donate. Every penny counts!

*Thank you*

*"The whole experience of the day enabled both myself and my son to put his illness to one side for a while and enjoy the experience set up for us. The staff were fantastic - friendly, responsive, supportive and so enthusiastic - thank you to you all..."*

**fly2help** is a fast growing aviation charity operating in the UK set up by a team of passionate aviators who are committed to helping others enjoy the inspiration and life enhancing privileges that being in the air can provide.

### What do we do?

For many families, smiles and laughter can be as important as medical research and intervention, especially for those who can't wait long enough for the breakthrough they need.

An exhilarating flight gives our beneficiaries the chance to see the world from a new perspective leaving their worries on the ground, both literally and metaphorically.

By giving these people the opportunity to experience the liberation and freedom of flight, our team hopes to inspire and develop their imagination and to enhance their self-determination. The extra boost that comes from the freedom of the skies and the exhilaration of flight renews motivation, enthuses and increases long term self-esteem and confidence.
